

Please keep sending in your Boxtops!

So far this school year we have collected 5,450 Boxtops.

Our goal is to collect 12,500 boxtops and if we do, your children will receive an extra recess and our school will earn more cash!

Please send in those boxops that you have been saving....there is no minimum for your submission.

Box Tops coupons can be found on many products, including food items like all *Cheerio cereals* and *Pop Secret Popcorn* or non-food products like *Kleenex* and *Zip Lock Bags*. (See the list of participation products at boxtops4education.com) All you have to do is cut the Box Tops coupon off the participating Brand and send them to Nixon. We'll do the rest!

If your family is not participating, give it a try! Chances are you're throwing away Box Tops without even knowing it! Each Box Top we collect is worth 10 cents. Super box tops earn 50 cents.

Please encourage your kids to get involved! To make collecting fun for kids, there are collection sheets that you can download (boxtops4education.com) and print, or you can pick up already printed ones at the Box Tops for Education display in the Nixon front hall. Or, feel free to submit the boxtops in a plastic bag or envelope instead.

Thank you!
