

We need you....

As you all know, we are welcoming several new Noyes families to Nixon next year. In preparation for that, the New Family Committee is looking for your help. We would like to assign a 'host family' to each new Noyes family coming in. The host family's responsibility would include reaching out via a phone call or email to welcome them and provide your contact information. Throughout their transition, you can serve as a valuable resource for any Nixon-related questions. It is our hope to try to match families with similar age children, so that you may even consider scheduling a playdate or having your child write a letter to welcome the new student. There are no specific "requirements" for the host family, just a willingness to help that new family feel VERY WELCOME at Nixon. If you are interested in this role, please email Wendy at heye@earthlink.net asap. Thanks in advance.
