

The Scoop

From Miss Hutchinson's Class

April 11, 2008

In our classroom over the past two weeks we:

- started our unit on Mexico
- learned about circle stories and created our own
- read some books by Mo Willems
- have been working on story problems in math
- learned about estimating and rounding
- played baseball math in honor of "Opening Day at Fenway"
- used prisms to bend light
- learned about ROY G. BIV
- watched *Magic School Bus Makes a Rainbow*
- did some light and color activities with a woman from the Acton Discovery Museum
- participated in School Meeting

Have a nice weekend!
