

# The Scoop

## From Miss Hutchinson's Class

**January 11, 2008**

In our classroom this week we:

- learned about realistic fiction
- began creating our own realistic fiction stories
- reviewed nouns, pronouns, adjectives, and verbs
- read Magic School Bus Wet All Over then watched the video
- have been learning about the water cycle
- traveled around our classroom as part of the water cycle
- started a new math unit about shapes
- created shape pictures after reading The Shape of Things
- began learning about the Native Americans of the plains
- did an activity about buffalo

Happy New Year!
