

The General John Nixon Elementary School PTO Presents:

WE ARE ONE...WORLD!

Wednesday, April 11th 6pm – 8pm

Imagine seeing the art of Italy, hearing the rhythmic music of Brazil, tasting the honey-laden sweets of Greece, watching the colorful dances of China, while having your hands decorated with Mehndi from India... ALL IN ONE NIGHT! We need you to make this happen! Embrace your ethnic and cultural heritage (or a favorite place you have visited or want to learn more about) by signing up to put together a “country table”, either as one family or several. Participants can choose to include display items, an activity, favorite food, as well as native costumes, music, artwork and more. We will celebrate our cultural diversity within the Nixon community as we transform the school with music, dance, food, games, and more!

Keep in mind – putting a table together can be as simple as making a posterboard with a few photos from your chosen country and maybe a few facts – a great family project! You are welcome to include artifacts, small food samples, clothing items – whatever you think represents your country!

If you play an instrument, sing, dance, or have a skill (juggling etc.) that you would like to share that evening, please indicate that below as well. We will have stage performances throughout the evening.
