

The Sudbury Special Education Advisory Council has been renamed the Sudbury Special Education *Parent* Advisory Council - **Sudbury SEPAC**. We have a new address for email and the website. We act as a resource and advisor to parents and educators of children with disabilities in the Sudbury PreK-8 schools. We are self-funded and strive to promote communication and programs within the Sudbury and surrounding communities to encourage understanding, acceptance, and inclusion. Our PAC has maintained a positive and respected relationship with the school system – the Special Education Administrator meets with us regularly, we were included on the Superintendent Search Committee last spring, and we will continue to attend monthly PTO Co-Chair meetings with our new superintendent. We’re growing and looking for more members and ideas. Please meet us at one of the SPS Back to School Nights. We hope to see you at one of our programs this year or in attendance at our monthly Board Meetings.
